Why Have A Personalized Google Home Page?

- ❑ Get your News Sports, Wather, Stocks, etc. all on one page
 - ❑ Easy Access to information you need (or just want!) without extra "surfing"
 - ❑ Easily incorporate added "applets" – choose from hundreds of options
 - ❑ It's Fun
 - ❑ It's Free!
-

How to Get Started

- Go to <http://google.com>
 - Click on "Personalized Home"
 - Click on "Make it Your Own"
 - Check off Topics of interest and Click Get Started
 - Drag title bars around the screen arrange the information "your way"
 - Click on "Add Content" to choose from hundreds of additional items
 - Try out your choices
-

Additional Notes

- Cookies must be enabled
 - Your Google Home Page will be available anytime you go to Google
 - Make it your home page if you wish
 - If you open a Google Account, your page will be accessible from any computer you use (It's easy and free! – Click on "sign in")
 - If you have a Google Mail Account ("gmail"), you already have an account
-

Let's Demonstrate It!
